

October 13, 2016
7 - 9 pm
OU Meacham Auditorium

Entry: \$5 Donation
Benefitting The Welcoming Project

Goal of The Welcoming Project:
To increase the visibility of places that are welcoming of LGBTQ individuals and their allies through providing welcoming signs to indicate "ALL ARE WELCOME."

Join us for a screening of The Laramie Project (2002), a powerful film adaptation of the aftermath of Matthew Shepard's murder, followed by a discussion about hate crimes in Oklahoma by Special Agent Ronald Carver of the FBI Oklahoma City Division.
